Burbank, CA (January 20, 2009) – After a roadside accident, Kyle must simultaneously help a stranded teenage girl give birth and take care of Nicole, who is seriously injured, in “Life Support,” an all-new episode of “Kyle XY” premiering on ABC Family on **Monday, February 9** (9:00 – 10:00 PM ET/PT).

On their way to a psychology conference, Kyle, Josh and Nicole are involved in a serious accident on the highway. Things get worse for the group when the other driver, a pregnant teenager, goes into labor and Nicole’s injuries take a turn for the worse. Can Kyle and Josh take control and help the two distressed women at the same time? Or will Kyle have to choose whom to help, leaving one to fend for herself? Meanwhile, Stephen has the unenviable task of being left at home to deal with Lori and Jessi fighting.
